Leaves in the Air!

Nature's annual spectacular colors are on display! Elsa, Kristoff, and Sven enjoy the mood, and Olaf plays with Gale, the Wind Spirit: While it blows, it creates beautiful leaf patterns in the air.

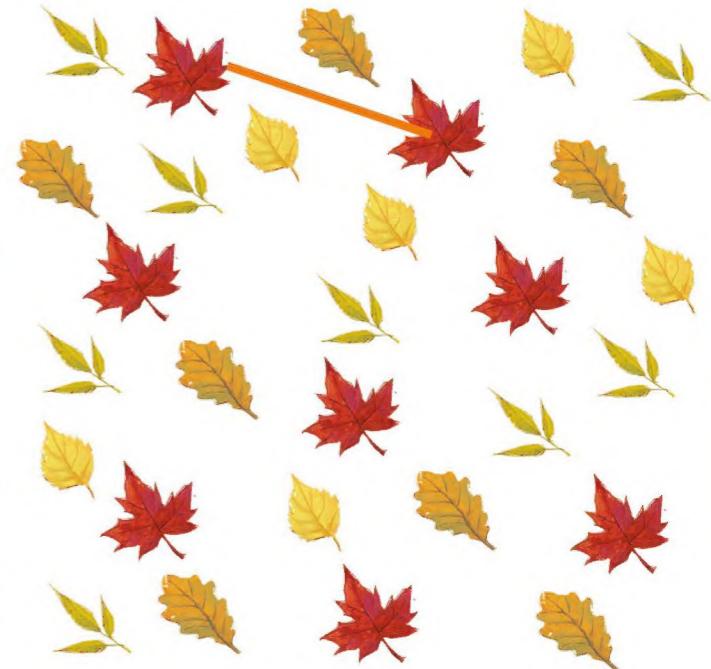

Autumn Vortex

Playful Gale sends the leaves whirling in a midair spiral. Take a look at these dotted designs and **CHECK OFF** the one that matches the pattern.

Maple Leaves

Olaf is mesmerized by the whirlwind of leaves. He especially loves the shape of the maple leaves. To help him gather them all, **CONNECT** the red leaves without touching the other ones.

Dive In!

Olaf loves jumping into piles of leaves. Who wouldn't? **ARRANGE** them from the tallest to the shortest.

Piles of Orange Mash

Trouble strikes when the pumpkins break one after another! FOLLOW the path that leads you to Anna and Olaf by way of the sequence of these smashed pumpkins!

Pick Up the Pieces

Help Anna and Olaf put the pumpkins back together: MATCH UP the tops and the bottoms. But beware: Two tops are intruders!

Harvest Expert

Olaf wants to know more about harvest, but he can't find the right book. Will you lend a hand? FIND it between the books below. Tip: It has a tiny pumpkin embossed on the cover!

Time to Remember

For Anna, the arrival of autumn brings to mind the epic journey that paved the way for many changes in her life. New friends, like the wise Mattias, became very important to her.

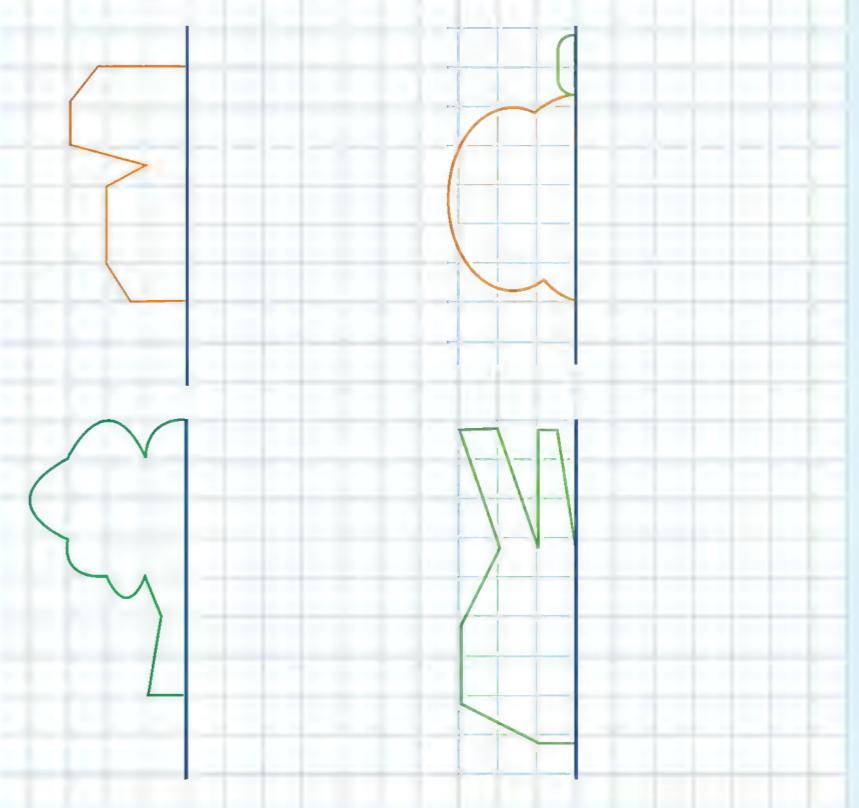

Wise Words

It was in the Enchanted Forest, amid the trees covered with autumn foliage, that Anna met up with Lieutenant Mattias, who gave her some good advice. Take a look at the original image and **COLOR IN** Anna's memory.

Warm-Up Grub

While they spoke in the Enchanted Forest, Mattias and Anna took away the autumn chill with steaming bowls of soup. Use the squares as your guide to **COMPLETE** these drawings of the seasonal ingredients.

The Paper Forest

Would you like to create an autumn forest scene to decorate your room? **FOLLOW** these simple steps!

- 1 **CUT** a 25 x 10 cm strip out of the brown card stock. Then accordion-fold it.
- 2 **CUT** the long sides to make an upside-down T. Make sure you don't cut the base.
- 3 **DRAW** ovals on pieces of orange, red, and yellow card stock and cut them out. Then glue them on the trunks as shown.
- 4 Turn the forest over, and **DRAW** lines to make branches. Then glue little pieces of different-colored card stock along the base.

Autumn Flower

Give your room a touch of autumn with this elegant sweet-smelling decoration. Follow these simple steps and be inspired!

ASK AN ADULT
FOR HELP!

You'll Need

- 8 SHEETS OF TISSUE PAPER 25 X 22 CM (LIGHT ORANGE, DARK ORANGE, LILAC, PURPLE)
- RUBBER BAND
- PURPLE RIBBON
- SAFETY SCISSORS
- PERFUME
- CUTOUTS FROM THE INSIDE BACK COVER

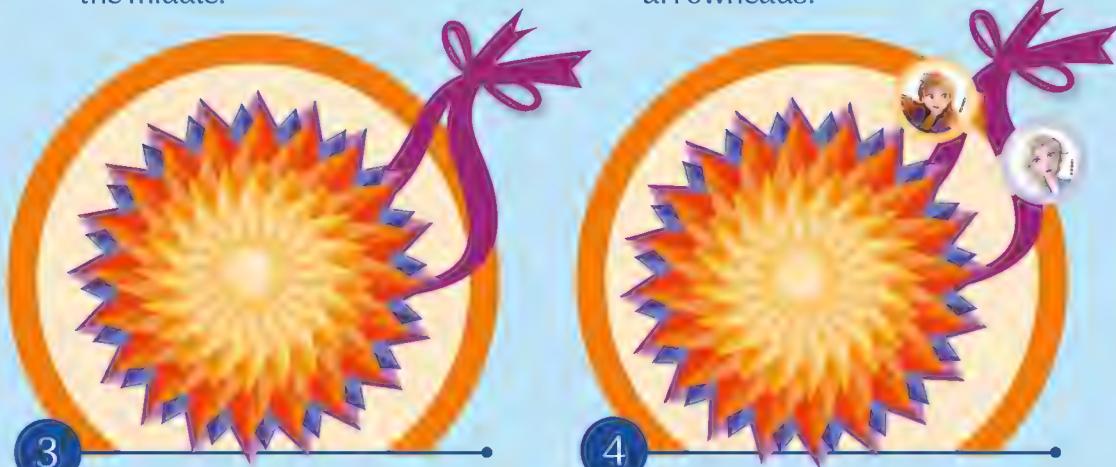

1

STACK UP the tissue paper and accordion-fold it together. **WRAP** a rubber band around the middle.

2

CUT a 20-cm piece of ribbon and thread it through the rubber band. Cut the ends of the paper to make arrowheads.

3

Now spread out the layers of tissue paper with your hands. **COVER** the rubber band as you go. Fasten the ribbon ends with a bow.

4

GLUE Anna's and Elsa's faces to the ribbon. A spray of perfume, and you've got an elegant flower!

Comfy, Cozy Reading

When there's a chill in the air and the days get shorter, staying at home and reading a good book is all the more fun. And Olaf loves his books!

A Place All His Own

A small cabinet is the perfect private reading spot. It's one of Olaf's favorite hangouts! While he's reading, the candle gets shorter and night falls. **PUT** these scenes in chronological order.

DESIGN

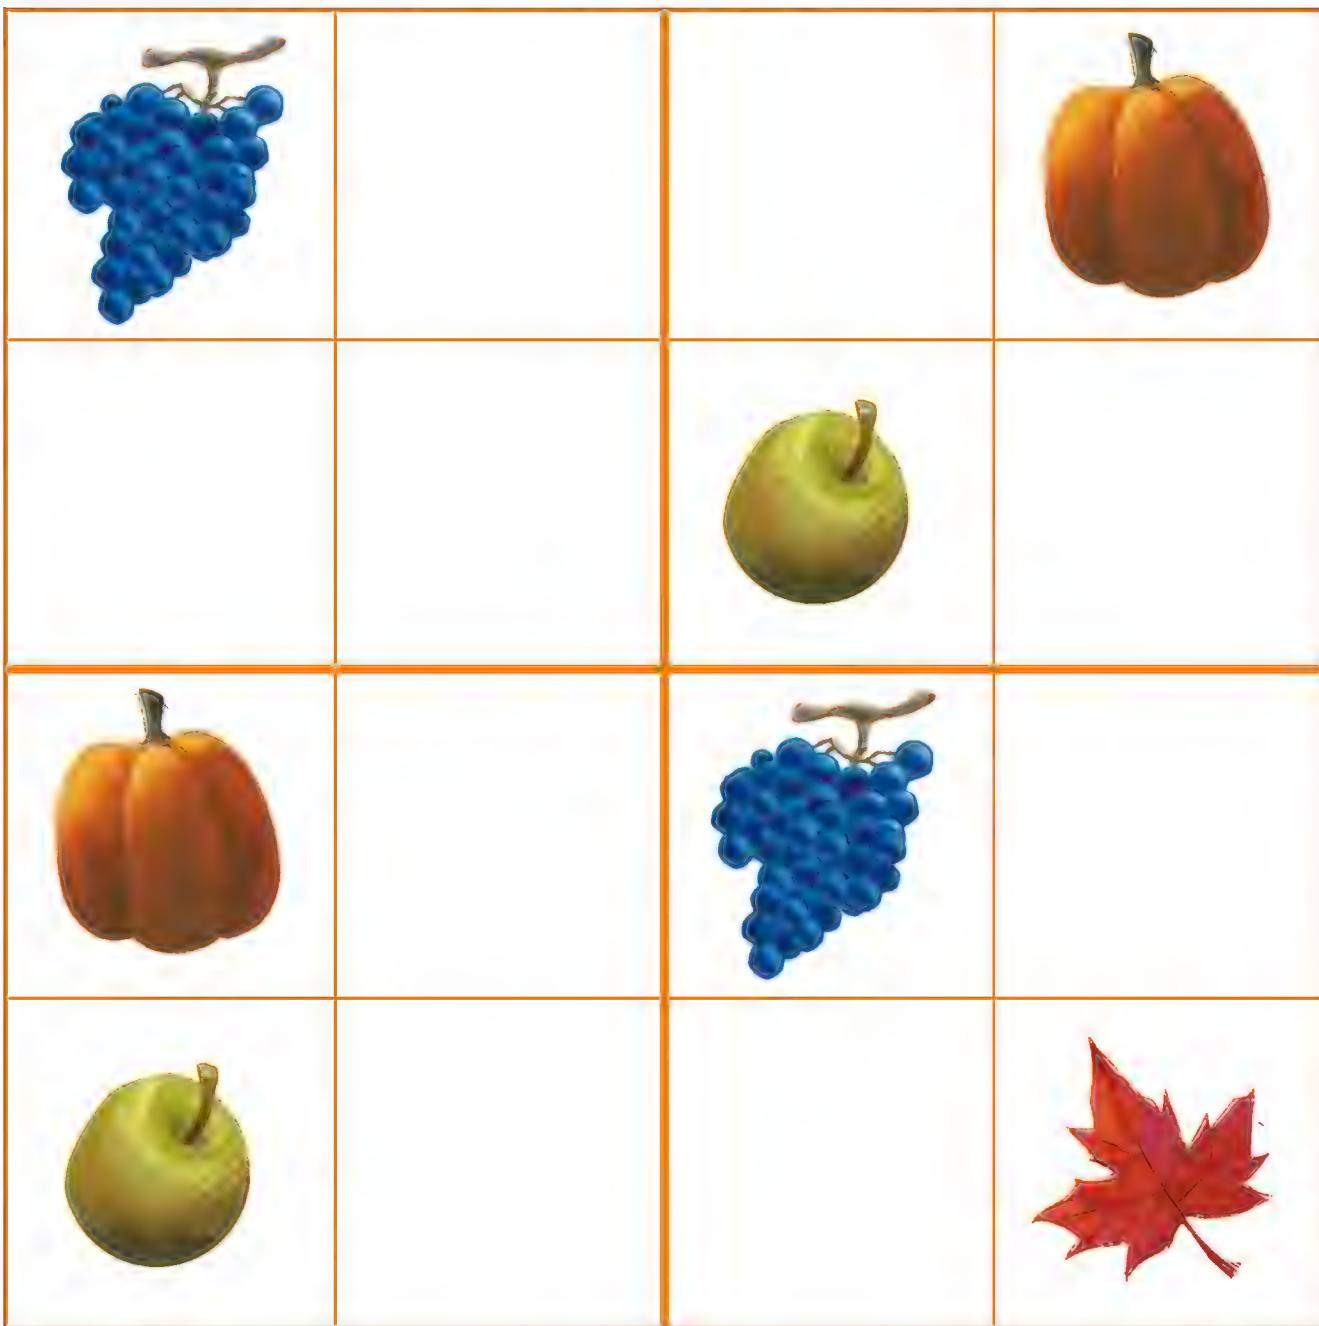

The Season of Change!

Everything transforms as the seasons change, and each season has its own unique wonders. Join Olaf for some fun with the symbols of autumn.

Autumn Sudoku

Help Olaf recognize some of the symbols of autumn. **DRAW** and **COLOR** the missing items in the blanks so they appear only once in each row, column, and mini-grid.

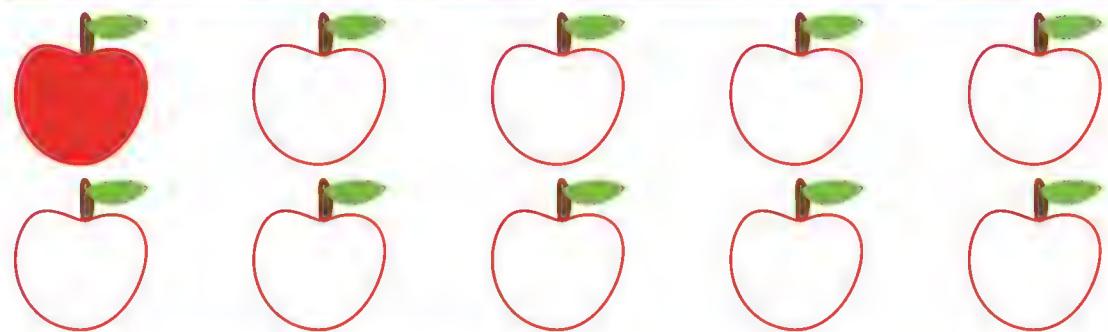

Let's Have a Snack!

Snacks are even tastier when they include fruit of the season, especially if you share them with your friends. Follow Elsa as she catches up to Anna and Kristoff for a delicious break.

Bon Appétit!

Welcome to the castle kitchen. The snack is served! Take a look at these two scenes and **SPOT** the ten differences. **COLOR IN** the apples as you find them.

The End

Nighty-Night!

While Anna explains to Olaf that in the autumn some animals go into hibernation, he falls asleep in her arms. Getting the right amount of sleep is a healthy habit, and for certain creatures that means napping for a few months!

The Dormouse

Anna describes the dormouse to Olaf: It's a rodent with a long tail. It can hibernate for up to six months. **CONNECT** the dots to see what one looks like.

Who's Sleepy?

Would you like to join Olaf in finding out which of these animals go into hibernation? Complete the math problems: Each answer has a corresponding symbol. A indicates a hibernator. **COLOR** them IN!

Indoor Fun!

Even when it's cold and rainy outside, you can have lots of fun inside. Anna, Kristoff, Olaf, and Elsa are challenging one another to a game called battle of leaves. Get a friend and play along!

Warning

Complete the activities on pages 27 and 30 before going ahead with the cutouts!

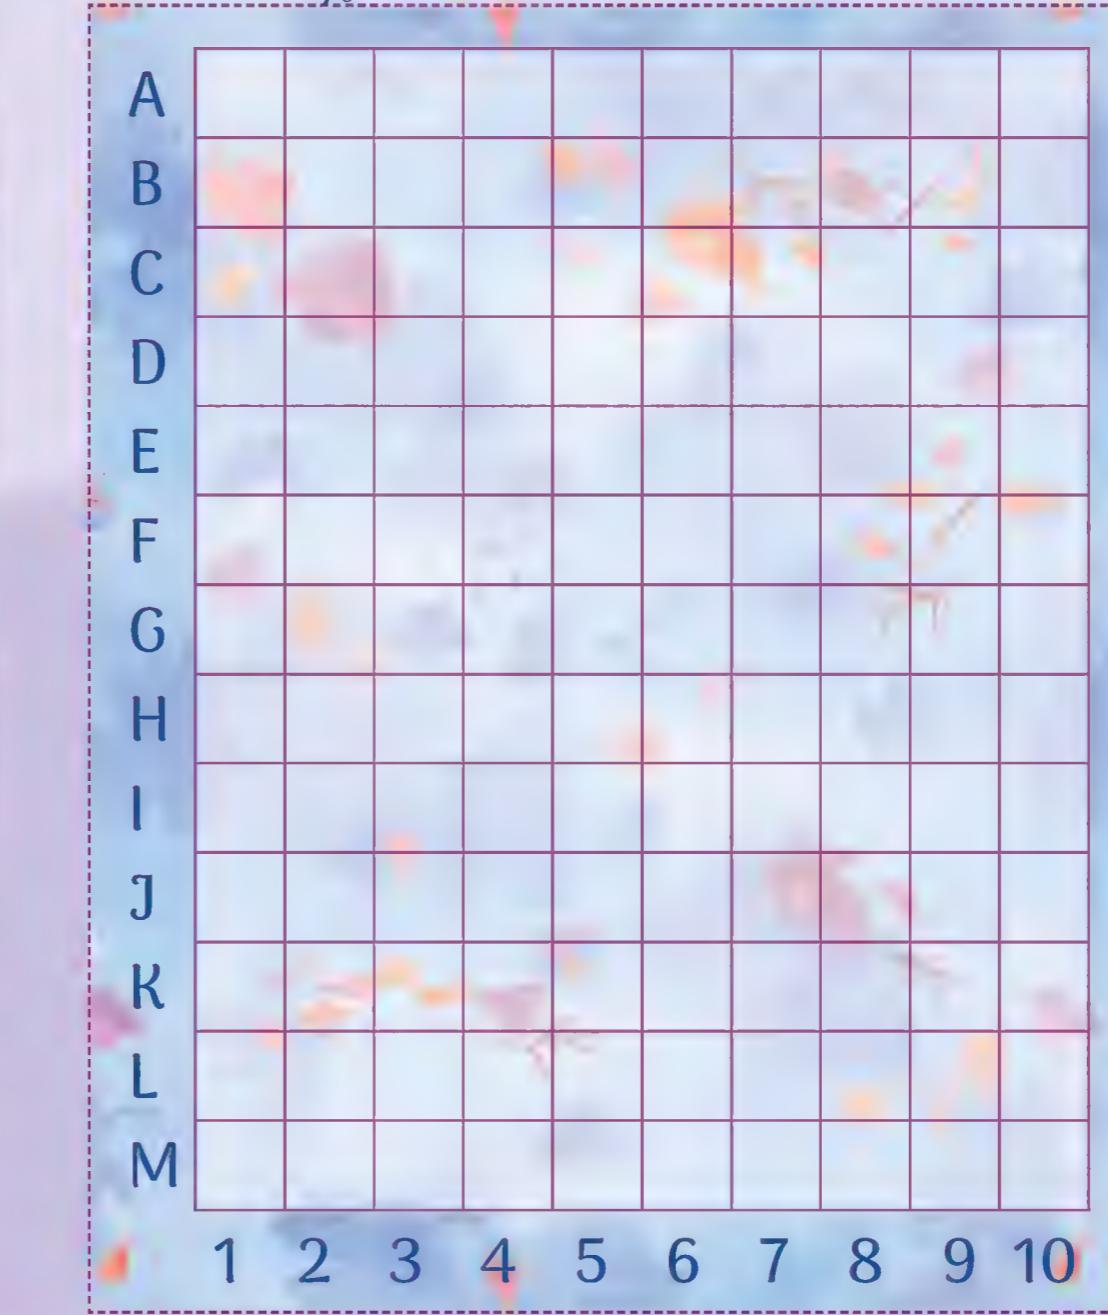

How to Play

A game for two players. **CUT OUT** the cards on this page and the sets of leaves from the inside back cover. Each player gets one big card, one small card, and one set of leaves.

Before starting, **PLACE** your leaves on the big card, keeping it hidden from your opponent behind a stack of books or a box. Take turns announcing a pair of coordinates (for example: C 6). If there's a leaf on that space on your opponent's card, he or she says "**LEAF!**" and you mark an **X** on that space on your small card.

The **X**'s on the small card map out the positions of the leaves on your opponent's big card. If the space is blank on your opponent's card, then he or she says "**NO LEAF!**" Mark that space on your small card with a **O**. Keep playing until one of you guesses the positions of all your opponent's leaves and wins.

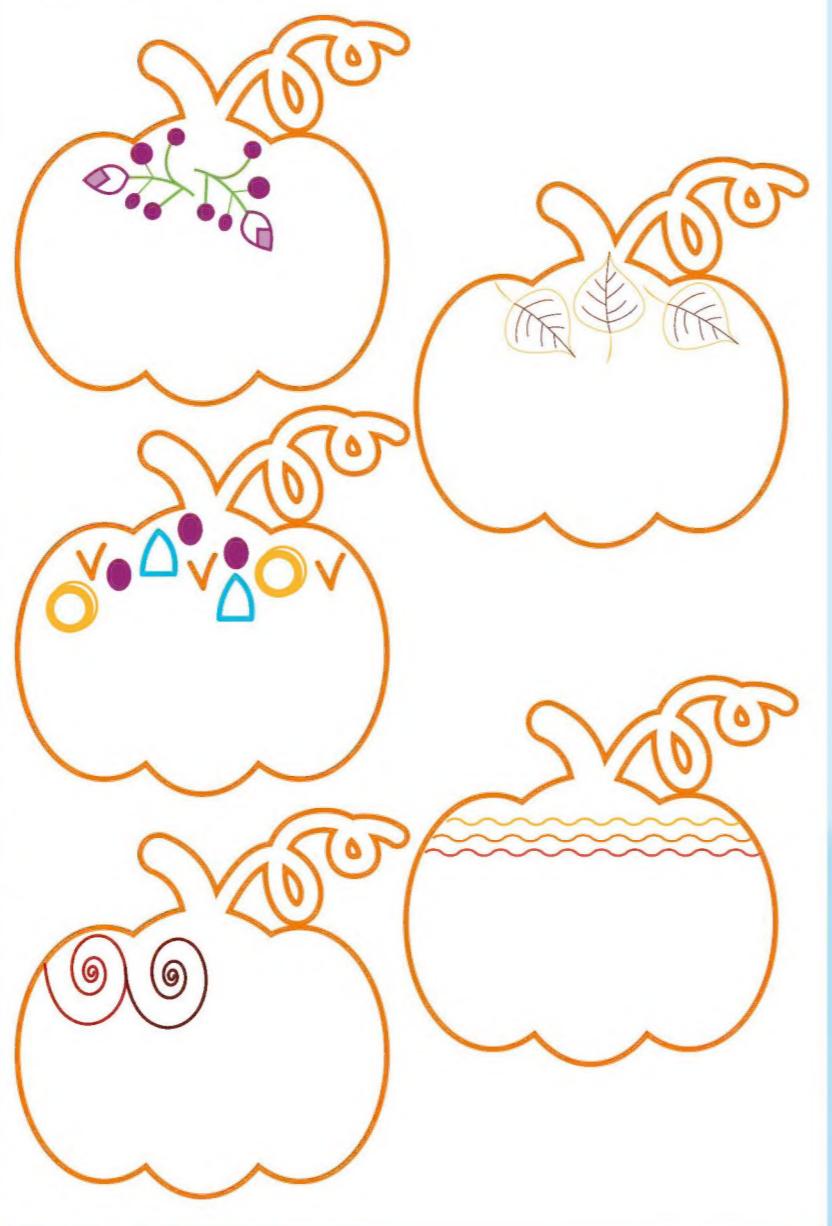

Haaray for Pumpkins!

Anna and Elsa are having a ball with Olaf in the pumpkin patch.
Join the fun!

Creative Touches!

There are lots of ways to decorate pumpkins. Elsa has used her magic to make Anna's pumpkins sparkle. **COMPLETE** the five pumpkins below by continuing the doodles on them.

Autumn Snowman

Olaf's really done it this time! He's built a snowman out of pumpkins. **CUT OUT** the parts and **GLUE** them onto a sheet of paper to make one, too!

Picnic Blanket

Our friends are going for an autumn picnic in a pumpkin patch. That means... they'll need a blanket! **CUT OUT** the squares and arrange them to re-create the pattern.

Warning
Check the solutions on page 32 before going ahead with the cutouts!
